Calling Volunteers!

If you are an adult that can help us with Vacation Bible School, please let us know! We would like to have as many high school and middle school student volunteers as possible! *It is because of all of you that our Vacation Bible School program is a success.*

Traditionally, OLP adults have volunteered to be activity leaders for this dynamic program. High school students have helped to build the sets as well as participate as group leaders. Our middle school students have volunteered to be small group leaders and assistants.
